

THE WINES OF LADY HILL WINERY

Procedo wines are *True Northwest* expressions of classic wine styles inspired by Italy and Bordeaux. Crafted to provide fruit-forward, accessible character, with satisfying complexity and elegance.

Ad Lucem wines invite you to explore the realm of the Rhône through artisan-crafted wines that deliver *True Northwest* character from traditional Rhône grapes like Syrah and Grenache, and blends.

Lady Hill wines are aromatically rich and texturally supple *True Northwest* versions of classic Burgundy and Bordeaux wine styles. The label honors the 8 daughters raised at the 5th-generation family farm in St. Paul, Oregon.

Fons Amoris wines are the ultimate in Lady Hill's *True Northwest* wines. Carefully selected and given extra ageing, each small-batch release [usually less than 100 cases] represents the finest and rarest Lady Hill wines of the vintage.
